

Owner Consent and Access Agreement Form

On this _____ day of _____, 20____, I, _____, being the legal owner, property manager, agent or authorized representative of the owner (hereinafter collectively “Owner”) of property located at _____ (hereinafter “Property”), do hereby consent and authorize ImOn Communications, its employees, agents or authorized representatives (hereinafter collectively “ImOn Communications”) to act on Owner’s behalf and access the Property for the purpose of making available alternative telecommunications services to tenants located within such Property. ImOn Communications agrees to use commercially reasonable due care to install all applicable equipment, including but not limited to, cables and wiring, and be responsible for any damages directly caused to such Property. Owner specifically acknowledges and agrees that any equipment installed by ImOn Communications on such Property shall be the exclusive property of ImOn Communications, and that ImOn Communications has the sole discretion whether to share such property with any other telecommunications provider.

Owner or authorized representative has executed this Agreement.
